

Benefits at a Glance

www.pabuilders.org

The PBA experience is different for all members, but most members find one or more of the following a rewarding part of their membership:

Advocacy and Legislative Efforts - PBA's governmental affairs division works diligently to guard against misguided legislation and excessive regulations. The result is a better business environment for homebuilders, remodelers and others in the industry in PA.

Access to Expert Resources – We have experts on staff to provide technical advice to help solve your problems. As a PBA member, you get immediate access to experts in building codes, regulatory issues, green building, and public relations.

Networking Opportunities – Many members tell us that networking is a primary reason for joining. As a PBA member, you can connect with industry colleagues to share information and make important business contacts.

Credibility – Your PBA membership sets you apart and identifies you as an industry professional. We encourage you to use our logo and build confidence with your peers, customers and the community you care about and do business in.

Health Insurance – Our members have access to fully insured group and individual health insurance, dental and vision benefits, life insurance, AD&D and disability through Pennsylvania Builders Insurance Program. Members also enjoy dedicated service with a hotline for premium member service. 1.888.333.7526

Workers' Compensation Program – McConkey & Co provides PBA members with competitive rates, better claim management and better options for paying premiums. For more information, contact Tisha O'Donnell, CPIA at 717.755.9266 or todonnell@ekmconkey.com

Aflac Medical and Disability Insurance – The beauty of Aflac programs is that they don't cost you – the employer. Aflac benefits your workers and its program makes your company a more attractive place of employment. Contact Marilyn Brannen at marilyn_brannen@us.aflac.com

PA One Call Program – When builders use the PA One Call service before digging for the first time each year, they normally pay a \$100 fee. For PBA members, that cost is waived. A \$100 savings! Contact Joan at PBA, jdunkelberger@pabuilders.org

Member Rebate Program for Builders – Group purchasing discounts on items you already buy from suppliers like Pittsburgh Paints, Heat & Glo, Delta and more. Over 70% of the Builders & Remodelers who participated last year received back in rebates more than they paid in annual dues to the Association! Contact Richard Robinson at 866.849.8400 or info@hbarebates.com

National Purchasing Partners – this group purchasing program negotiates significantly discounted rates on many national products and services, including Verizon Wireless, Staples Office Products, Sherwin Williams, Airgas and more.

Sunoco Fleet Management Program – PBA works with Sunoco to provide our members higher fuel rebates than you could earn on your own. Depending upon the size of your fleet, you could save thousands each year! Contact Carl Ray at 215.200.6687

Energy Plus Electricity Savings Program – PBA members who switch to Energy Plus as their electric supply company can receive bonuses for enrolling their home or business, as well as cash back rebates.

PSECU Credit Union Membership – PBA members are eligible for membership in the state's largest credit union. Non-profit and member owned, PSECU offers no or low-fee services that will put more money in your pocket. Visit psecu.com for more info.

Model Contracts – Our members have access to a model building contract, plus contracts for home improvement contractors that meet the requirements of the state home improvement contractor registration law. A savings of time and expense!

When you join a local home builders association, you automatically become a member of both the Pennsylvania Builders Association and the National Association of Home Builders. Contact the Home Builders Association of Northeastern PA today at 570.287.3331 or visit www.bianepa.org
